

## Parent Guidance: What Should I Ask My Child's Teacher?

Topic	Questions	Resources
District Assessment	<ul style="list-style-type: none"> <li>• How is my student doing with the grade level standards?</li> <li>• Which standards need instruction?</li> <li>• What assessments is my child taking and when?</li> <li>• Is my child meeting the district measure for Evidence of Learning?</li> <li>• How do I know when assessments are scheduled?</li> </ul>	<p><a href="#">Parent Overview - Elementary Pacing Guide with Assessment Information</a></p> <p>All middle school students have an IXL account where students can practice skills related to the current standards being taught.</p> <p>Khan Academy has created alignment to the Illustrative Math Curriculum</p> <ul style="list-style-type: none"> <li>• <a href="#">Khan Academy &amp; Illustrative Mathematics (6th)</a></li> <li>• <a href="#">Khan Academy &amp; Illustrative Mathematics (7th)</a></li> <li>• <a href="#">Khan Academy &amp; Illustrative Mathematics (8th)</a></li> </ul> <p>High school students can utilize Khan Academy by searching course topics.</p>
MAP/NWEA	<ul style="list-style-type: none"> <li>• What was my child's RIT Score and percentile?</li> <li>• How did my child perform on the strands/ domains within MAP?</li> <li>• Did my child meet the external measure for EOL?</li> <li>• Did my student meet the expected growth?</li> </ul>	<p>Khan Academy generates a personalized study recommendation from the strand scores within MAP: <a href="#">Khan Academy MAPPERS</a></p> <p>All middle school students have an IXL account with personalized plans created to support students growth, as aligned to MAP-M.</p>
Maryland State Assessment, MCAP (Grades 3 and up)	<ul style="list-style-type: none"> <li>• What was my child's proficiency level for last year's MCAP?</li> <li>• Did my child's level meet the external measures of Evidence of Learning?</li> </ul>	<p>The state of Maryland offers a <a href="#">website</a> of released items that students can practice with.</p>

	<ul style="list-style-type: none"> <li>How did my child do with the Major Content, Reasoning, and Modeling &amp; Applications subclaims?</li> </ul>	
Homework	<ul style="list-style-type: none"> <li>How is homework used in your class?</li> <li>How are problems for homework assigned?</li> <li>How often is my child receiving homework?</li> <li>How do I know if my child is doing the homework, and how they are mastering the content?</li> <li>How is homework being entered into the gradebook?</li> </ul>	For middle and high school, consult with the teacher and school.
Instruction	<ul style="list-style-type: none"> <li>What are you currently working on ?</li> <li>What learning comes next?</li> </ul>	<p><a href="#">Eureka Math Resources by Grade Level</a> (incl. Grade Level Roadmaps and Parent Tip Sheets in English and Spanish)</p> <p><a href="#">Illustrative Math Parent Support Material</a> can be used for support at home.</p> <p><a href="#">Secondary (Middle and High) Math Curriculum and Instruction Overview</a> by marking period, inclusive of a document with section videos.</p>
Acceleration & Enrichment	<ul style="list-style-type: none"> <li>How is math enriched in elementary school?</li> <li>Is my child ready for accelerated learning?</li> <li>How frequently, and on what topics, has elementary math been enriched for my child?</li> <li>Is the course my child is taking accelerated, enriched, or both?</li> </ul>	<a href="#">Providing Enriched Learning in Elem Mathematics</a>
Summer Support	<ul style="list-style-type: none"> <li>What are the areas that should receive focus in preparation for next year?</li> </ul>	<p><a href="#">Zearn</a></p> <p><a href="#">Khan Academy MAPPERS</a></p> <p>The following links can be used to review concepts during the summer:</p> <ul style="list-style-type: none"> <li><a href="#">Khan Academy &amp; Illustrative Mathematics (6th)</a></li> </ul>

		<ul style="list-style-type: none"> <li>• <a href="#">Khan Academy &amp; Illustrative Mathematics (7th)</a></li> <li>• <a href="#">Khan Academy &amp; Illustrative Mathematics (8th)</a></li> </ul> <p>For middle school math, the math office will be putting out a pacing guide for independent learning.</p>
Learning Gaps	<ul style="list-style-type: none"> <li>• What domain would my student benefit from extra support with? If they were to work on something over the summer?</li> <li>• To what degree is my student meeting the grade/course level math standards?</li> <li>• How does my child's grade in this measurement topic compare to what it says on MAP/in NWEA?</li> <li>• Are you using Equip and how has that informed my child's instruction in each module?</li> </ul>	<p><a href="#">Zearn</a> follows the sequence of Eureka Math. Resources and materials are aligned and coherent and can be used to preview and review grade level learning.</p> <p>Middle school students can utilize IXL and Khan Academy</p> <p>High school students can utilize Khan Academy.</p>
Online Supports	<ul style="list-style-type: none"> <li>• Are there additional online supports that I can use at home to support my child?</li> </ul>	<p><a href="#">Zearn</a></p> <p><a href="#">Khan Academy MAPPERS</a></p> <p>The following links can be used to review concepts:</p> <ul style="list-style-type: none"> <li>• <a href="#">Khan Academy &amp; Illustrative Mathematics (6th)</a></li> <li>• <a href="#">Khan Academy &amp; Illustrative Mathematics (7th)</a></li> <li>• <a href="#">Khan Academy &amp; Illustrative Mathematics (8th)</a></li> <li>• Search by course and topic for Algebra 1 and beyond.</li> </ul>
Evidence of Learning	<ul style="list-style-type: none"> <li>• Is my child achieving Evidence of Learning at the classroom, district and external levels?</li> <li>• If there's a discrepancy in how my student is performing in Evidence of Learning, can you share what the differences are?</li> </ul>	Consult with the teacher

Feedback on Progress	<ul style="list-style-type: none"> <li>• How can I see the progress my child is making in the course?</li> <li>• How often should I expect to see updates in the grade book?</li> </ul>	Synergy
Articulation	<ul style="list-style-type: none"> <li>• What course will my child be in next year?</li> <li>• What data was used to make that decision?</li> <li>• Will the data be revisited during the summer to ensure that the right course was determined?</li> <li>• Who would be the best person to follow up with for next year?</li> </ul>	Consult with the school
